CHUBB®

Congratulations on your purchase of life insurance through Chubb Workplace Benefits. Your coverage is brought to you by Combined Insurance Company of America, a Chubb company, providing valuable benefits to individuals for over 90 years. To help you understand your LifeTime Benefit Term Coverage, we have provided additional information below.

LifeTime Benefit Term Product Information

Based on the assumption that the current credited interest rate (2.50 %) and mortality premium charges continue to age 100, the policy death benefit will remain unchanged through age 99 with no premiums due after age 100. However, credited interest rates could very well increase above the current rate (2.50 %), which will provide paid-up benefits of the death benefit earlier than projected at current interest rates.

The Death Benefit has guarantees to protect the coverage. If the interest rate decreases to the guaranteed rate (2%) and never recovers to the current credited interest rate (2.50 %), the death benefit will remain at 100% of the face amount to the latest of age 70 or 25 years from issue. Therefore, and as a worse-case scenario, the death benefit can be no less than 50% of the original death benefit amount through age 121 with no premiums due after age 100.

SUMMARY and DISCLOSURE STATEMENT for ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

Benefit

According to the terms of the Accelerated Death Benefit For Terminal Illness Rider, We will pay a portion of the Death Benefit to the Certificateholder upon receiving acceptable proof that the Insured is terminally ill. The benefits of this Rider are available to the Certificateholder through a Rider attached to his or her Certificate. An Accelerated Death Benefit for Terminal Illness can only be paid one time under this Rider.

Consequences of Receiving an Accelerated Death Benefit for Terminal Illness

Payment of benefits under this Rider may be taxable to the Certificateholder under the Internal Revenue Code. The receipt of an Accelerated Death Benefit may also affect the Certificateholder's eligibility to receive, or continue to receive Medicaid benefits, or other state or federal government benefits and entitlements. Before the Certificateholder elects to receive any benefits under this Rider, he or she should consult with his or her tax advisor.

Amount You May Elect

After the Contestability Period is completed, the Certificateholder may elect the amount of the Accelerated Death Benefit to be paid. The limits are outlined in the Rider, but are generally limited to the lesser of 50% of the Death Benefit provided to the Insured by the Certificate after subtraction of any previous Accelerated Death Benefit paid to the Certificateholder, to a maximum of \$100,000. We have a right under the Rider to charge an administrative fee for processing an Accelerated Death Benefit. The maximum amount of the fee we will charge the Certificateholder is \$150. It will be deducted from any payment made.

When Eligible for Payment of Benefit

The Certificateholder is entitled to receive the Accelerated Death Benefit for Terminal Illness when we have determined that the insured is terminally ill and has a life expectancy of 12 months or less.

Notice and Proof of Qualifying Event

We will require proof that the Insured is terminally ill. The diagnosis must be made by a Physician as defined in the Rider. Any diagnosis must be the result of clinical, radiological, histological, or laboratory evidence of the terminal illness. We may require a second medical opinion by a Physician of our choice at Our expense. If there is a conflict of opinion, We reserve the right to make the final determination.

Effect of an Accelerated Death Benefit for Terminal Illness

When payment of an Accelerated Death Benefit for Terminal Illness is made, it will be treated as a Lien against the Certificate Coverage. We will charge the Certificate Holder interest on the Accelerated Death Benefit paid to him or her. The maximum interest rate we may charge the Certificate Holder is the greater of:

1. 7%; or
2. the current 90 day U.S. Treasury Bill rate in effect on the date that the Accelerated Death Benefit is paid.

Premiums, without reduction, will still be payable, including any premiums for Riders. In the event that Coverage under a Certificate Lapses for nonpayment of premium, Coverage terminates and no repayment of the lien (including accrued interest) is required. A written consent must be sent to Us from any Irrevocable Beneficiaries or assignees before we will release an Accelerated Death Benefit. The written request must be in a form satisfactory to Us.

Benefit Premiums

There are no separate premiums for benefits under this Rider.

Below is a **sample illustration** of the effect of an Accelerated Death Benefit for Terminal Illness on a Certificateholder's Coverage. This illustration shows the effect on the face amount of a Certificateholder's Coverage before the Accelerated Death Benefit for Terminal Illness is elected, immediately after the election is made, and twelve months after the election is made. This illustration also assumes:

1. the Face Amount is \$10,000;
2. annual premiums are \$500.00;

4. We are charging 7% simple interest on the lien.

NOTICE TO BUYER: This Rider may not cover all the costs associated with long-term care incurred by the Certificateholder during the period of coverage. The Certificateholder is advised to review carefully all Rider limitations.

1. RIDER DESIGNATION: This Rider is a group Rider which has been issued in the state of Texas.
2. PURPOSE OF OUTLINE OF COVERAGE: This Outline of Coverage is designed to provide a very brief description of some of the important features of your Rider. This is not the insurance contract and only the actual policy provision will control the rights and obligations of the parties to it. The policy itself sets forth in detail those rights and obligations applicable to both you and your insurance company. It is very important, therefore, that you READ YOUR POLICY OR CERTIFICATE CAREFULLY.
3. TERMS UNDER WHICH THE POLICY OR CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED:
 - a. You have the right to return this Rider within 30 days after You receive it, and we will refund any premium that You paid for the Rider, if after examination of the Rider You are not satisfied for any reason.
 - b. A pro-rata refund of any premium paid for this Rider beyond the death of the Insured, or termination of the Rider will be returned.
4. MEDICARE SUPPLEMENT INSURANCE DISCLAIMER. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE. If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from the insurance company.
 1. Neither Combined Insurance Company of America nor its agents represent Medicare, the federal government, or any state government.
5. LONG-TERM CARE COVERAGE. Long-term care insurance is designed to provide coverage for necessary or medically necessary diagnostic, preventive, therapeutic, curing, treating, mitigating, and rehabilitative services, and maintenance or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home. Coverage is provided for the benefits outlined in paragraph (6) of this subsection. The benefits described in paragraph (6) of this subsection may be limited by the limitations and exclusions in paragraph (7) of this subsection.

6. BENEFITS PROVIDED BY THIS RIDER:

- a. **Elimination Period:** The number of days at the beginning of a period of care for which benefits are not payable under the Rider. The number of days in the Elimination Period for the Rider is 90. In order for a day to count as a day in the Elimination Period, the following requirements must be met:
 - i. the Insured is Chronically Ill; and charges have been incurred for the care and services of the Insured.
- b. **FOR QUALIFIED CONFINED CARE OR QUALIFIED NON-CONFINED CARE:** The benefit amount for Confinement, Home Health Care or Adult Day Care will be 4% of the current Death Benefit, minus any lien, of the Certificate as of the first of the month following the date the Insured became eligible for payment of the benefit. After We receive the required proof that the Insured has met the Conditions for Determination of Payment of Benefits that are described in this Rider, We will pay You the benefit amount. We will pay the benefit amount for each Certificate Month or fraction of a Certificate Month for as long as the Insured continues to meet the eligibility requirements. The benefit payments will be subject to the Remaining Accelerated Death Benefit Amount.
- c. **CONDITIONS FOR DETERMINATION OF PAYMENT OF BENEFITS:** Payment of benefits will be determined based on the Insured being Chronically Ill having a level of disability similar to the Insured's ability to perform Activities of Daily Living, or being Cognitively Impaired, as defined in the Rider. Eligibility for the payment of benefits requires a deficiency in the ability to perform 2 Activities of Daily Living.

A Licensed Health Care Practitioner must certify that an Insured is unable to perform Activities of Daily Living for an expected period of at least 90 days due to a loss of functional capacity and the Insured is in claim status.

- d. **DEFINITIONS:** These are some of the important definitions that will help the Certificateholder understand the Conditions for Determination of Payment of Benefits. Please review the Rider for further information.

ACTIVITIES OF DAILY LIVING means everyday activities. For the purposes of this Rider, each of the following six (6) activities is considered an Activity of Daily Living:

- I. **Bathing:** Washing oneself by sponge bath or in either a tub or shower, including the task of getting into or out of the tub or shower.
- II. **Continence:** The ability to maintain control of bowel and bladder function; or, when unable to maintain control of bowel or bladder function, the ability to perform associated personal hygiene (including caring for catheter or colostomy bag).
- III. **Dressing:** Putting on and taking off all items of clothing and any necessary braces, fasteners or artificial limbs.
- IV. **Eating:** Feeding oneself by getting food into the body from a receptacle (such as a plate, cup or table) or by a feeding tube or intravenously.
- V. **Toileting:** Getting to and from the toilet, getting on and off the toilet, and performing associated personal hygiene.
- VI. **Transferring:** Sufficient mobility to move into or out of a bed, chair or wheelchair or to move from place to place, either via walking, a wheelchair or other means..

CHRONICALLY ILL INDIVIDUAL means an Insured who has been certified by a Licensed Health Care Practitioner as:

- I. being Unable to Perform, without Substantial Human Assistance, at least two Activities of Daily Living (Bathing, Continence, Dressing, Eating, Toileting, and Transferring) for a period of at least 90 days; or
 - II. the Insured has a Cognitive Impairment that requires Substantial Supervision to protect the Insured from threats to his or her health and safety.
- e. **BENEFITS UNDER EXTENSION OF BENEFITS RIDER.** If the rider is inforce, after we have paid out the entire certificate death benefit amount, as of the beginning of the period of claim, we will increase the death benefit amount of the certificate by the death benefit amount increase subject to our determination that all the following terms and conditions have been satisfied:
- I. the rider remains in force;
 - II. the insured is alive and continues to meet all conditions of the Accelerated Death Benefit for Long Term Care Rider under the Conditions on Eligibility for Payment of Long Term Care Benefits provision;
 - III. the death benefit amount of the Certificate as of the monthly date immediately following the date the Insured first became eligible for payment of Long Term Care Benefits minus any death benefit advance has been paid;
 - IV. the Certificate will not be eligible for any additional death benefit amount increase until the previous death benefit amount increase has been paid;
 - V. the cumulative Monthly Increase in Death Benefit Amounts under this Rider will not exceed the Multiple of the Current Death Benefit of the Certificate determined as of the monthly Certificate date that the final monthly payment under the terms of the Accelerated Death Benefit for Long Term Care Rider was made. The Multiple is shown on the Certificate Schedule of Endorsement.
- The effective date of each death benefit amount increase will be the monthly date preceding the monthly date that the entire death benefit amount of the certificate was paid.
- The death benefit amount increase equals the death benefit amount of the Certificate on the monthly date immediately following the date the insured first becomes eligible for Long Term Care Benefits, minus any lien, times the confinement percentage shown on the Certificate Schedule of Endorsement.
- If the Insured ceases to meet the Conditions on Eligibility for Payment of Benefits under the Accelerated Death Benefit for Long Term Care Rider while death benefit amount increases are being made under the Extension of Benefits Rider, the Certificate and all its Riders will terminate.
- If 100% of the amount payable under the Extension of Benefits Rider has been paid, the Certificate and all its Riders will terminate.
- f. **BENEFITS UNDER RESTORATION RIDER:** If the Rider is inforce, when the Lifetime Benefit Term death benefit is reduced below the Restoration Face Amount by the Accelerated Death Benefit for Long Term Care Rider, this Rider restores the Lifetime Benefit Term death benefit up to the Restoration Face Amount while this Rider is in force.

Restoration Face Amount is defined as the Restoration Percentage multiplied by the Lifetime Benefit Term Face Amount. This amount will be reduced by the amount of any benefit payment under the Accelerated Death Benefit For Terminal Illness Rider. This amount will also be subject to the Maximum Restoration Face Amount.

The Restoration Percentage is shown on the Certificate Schedule Page.

7. LIMITATIONS AND EXCLUSIONS: This Rider may not limit coverage by type of illness, treatment, medical condition, or accident, except as follows:

- a. mental or nervous disorders; however, this shall not permit exclusion or limitation of benefits on the basis of Alzheimer's Disease;
- b. alcoholism and drug addiction;
- c. illness, treatment or medical conditions arising out of:
- d. war or act of war (whether declared or undeclared);
- e. participation in a felony, riot or insurrection;
- f. service in the armed forces or units auxiliary thereto;
- g. suicide (sane or insane), attempted suicide, or intentionally self-inflicted injury; or
- h. treatment provided in a government facility (unless otherwise required by law), services for which benefits are available under Medicare or other governmental program (except Medicaid), any state or federal workers' compensation, employer's liability or occupational disease law, or any motor vehicle no-fault law, services provided by a member of the covered person's immediate family, and services for which no charge is normally made in the absence of insurance;
- i. expenses for services or items available or paid under another long term care insurance or health insurance policy;
- j. in the case of a qualified long term care contract, expenses for services or items to the extent that the expenses are reimbursable under Title XVIII of the Social Security Act or would be so reimbursable but for the application of a deductible or coinsurance amount; or
- k. care or services received outside the United States or its territories.

8. RELATIONSHIP OF COST OF CARE AND BENEFITS: Because the costs of long term care services will likely increase over time, You should consider whether and how the benefits of this plan may be adjusted.

- a. This Rider is level and will not increase over time.

9. TERMS UNDER WHICH THIS RIDER MAY BE CONTINUED IN FORCE OR DISCONTINUED:

- a. **RENEWABILITY:** THIS POLICY (CERTIFICATE) IS GUARANTEED RENEWABLE. This means you have the right, subject to the terms of your policy (certificate), to continue this policy as long as you pay your premiums on time. Combined Insurance Company of America cannot change any of the terms of your policy on its own, except that, in the future, IT MAY INCREASE THE PREMIUM YOU PAY.
- b. **CONTINUATION:** Regardless of the continuation or conversion options available under the base Certificate, a continuation option is available for this Rider. Only You can request termination of this Rider. Unless You do, it will remain in force as long as the Certificate remains in force. If the base Certificate is converted to an individual life policy, this Rider will then be attached to the converted individual life policy.
- c. **WAIVER OF PREMIUM:** For each month You receive benefits under the Rider, Your premium for the Certificate and all Riders will be waived.

10. **ALZHEIMER'S DISEASE, OTHER ORGANIC BRAIN DISORDERS, AND BIOLOGICALLY BASED BRAIN DISEASES/SERIOUS MENTAL ILLNESS.** This Rider provides coverage for insureds who meet the eligibility requirements explained above in paragraph 6 of this document because of a clinical diagnosis of Alzheimer's disease or related degenerative illnesses and illnesses involving dementia, or due to biologically based brain diseases/serious mental illnesses, including schizophrenia, paranoid and other psychotic disorders, bipolar disorders (mixed, manic, and depressive); major depressive disorders (single episode or recurrent); and schizo-affective disorders (bipolar or depressive).

11. **PREMIUM:**

12. **TEXAS DEPARTMENT OF INSURANCE'S CONSUMER HELP LINE.** An insurer shall include notification that the prospective insured may call the Texas Department of Insurance's Consumer Help Line at 1-800-252-3439 for agent, company, and any other insurance information, and 1-800-599-SHOP to order publications related to long-term care coverage and the Texas Department of Aging at (1-800-252-9240 or current number if different) to receive counseling regarding the purchase of long-term care or other health care coverage.

13. **DENIAL OF APPLICATION.** If the application for this long term care insurance rider is denied, all premium paid for the Rider shall be returned within 30 days of the decision.

14. **INFLATION PROTECTION:** If elected, the benefit amount for Confinement, Home Health Care, or Adult Day Care will be increased by 5% per year that the Monthly Accelerated Death Benefit For Long Term Care is in force, subject to the maximum remaining benefit amount.

There may be tax consequences associated with the purchase of a qualified long-term care insurance contract, such as the tax deductibility of premiums and the exclusion from taxable income of benefits. The prospective insured is urged to consult with a qualified tax advisor.

17. **ADDITIONAL FEATURES:**

- a. This Rider is issued or denied based on Your answers to questions on the enrollment form. Issuance of the Rider is contingent upon medical underwriting of the life insurance Certificate to which the Rider is attached.
- b. **REINSTATEMENT FOR UNINTENTIONAL LAPSE:** If this rider is canceled due to nonpayment of premium, the Certificateholder is entitled to have this rider reinstated if, within a period of not less than 5 months after the date of cancellation, the Certificateholder or alternate secondary addressee designated demonstrates that the failure to pay the premium when due was unintentional and due to the Certificateholder's cognitive impairment, loss of functional capacity, or continuous confinement in a hospital, skilled nursing facility, or assisted living facility for a period in excess of 60 days. Rider reinstatement shall be subject to payment of overdue premiums. The standard of proof of cognitive impairment or loss of functional capacity shall not be more stringent than the benefit eligibility criteria for cognitive impairment or the loss of functional capacity contained in this rider. If the rider becomes a claim during the 180-day period before the overdue premium is paid, the amount of the premium or premiums may be deducted from any settlement under this rider.
- c. **IMPACT ON CERTIFICATE:** The death benefit that is payable at the death of the Insured will be reduced by the total or all Long Term Care Benefit payments. - d. **MONTHLY REPORT SHOWING EFFECT OF RIDER BENEFITS:** While Rider benefits payments are being paid, We will provide You with a monthly report that shows the effect each Rider benefit payment has on Coverage values.

FOR THE STATE OF TEXAS

LONG-TERM CARE INSURANCE POTENTIAL RATE INCREASE DISCLOSURE FORM

Combined Insurance Company of America
Administrative Office: 17 Church St., Keene, NH 03431
(855) 241-9891

1. Premium rate schedules that are applicable to you and that will be in effect until a request is made and filed with the Texas Department of Insurance for an increase are \$35.30 shown on the application. The premium rate schedule for this coverage will be shown on the schedule page of your rider.
2. If your rates are changed, the new rates will become effective on the next anniversary date. The new rates will remain in effect until another request is made and filed with the Texas Department of Insurance. You have the right to receive a revised premium rate schedule if the premium rate schedule is changed.
3. This long-term care coverage is Guaranteed Renewable. This means that the rates for this coverage may be increased in the future. Your rates **CANNOT** be increased due to your increasing age or declining health, but your rates may go up based on the experience of all insureds with a rider similar to yours.
4. If you receive a premium rate increase in the future, you will be notified of the new premium amount and you will be able to exercise at least one of the following options:
 - a. Pay the increased premium and continue your coverage in force as is.
 - b. Reduce your coverage benefits to a level such that your premiums will not increase.
 - c. Exercise your long-term care nonforfeiture option, if purchased. This option is available for purchase for an additional premium.
 - d. Exercise your contingent nonforfeiture rights – See No. 5. This option is available if you do not purchase a long-term care nonforfeiture option mentioned in c. above.
5. **Contingent Nonforfeiture Rights**
If the premium rate for your rider goes up in the future and you do not buy a long-term care nonforfeiture option, you may be eligible for contingent nonforfeiture. Here's how to tell if you are eligible:
 - a. You will keep your long-term care insurance coverage, if:
 - i. Your premium after the increase exceeds your original premium by the percentage shown, or more, in the table provided on the next page; and
 - ii. You do not pay your premium within 120 days of the increase causing your rider to lapse.
 - b. The amount of coverage, new lifetime maximum benefit amount, etc., you will keep will equal the total amount of premiums you have paid since your rider was first issued. If you have already received benefits under the rider, so that the remaining maximum benefit amount is less than the total amount of premiums you have paid, the amount of coverage will be that remaining amount.
 - c. Except for this reduced lifetime maximum benefit amount, all other rider benefits will remain at the levels attained at the time of the lapse and will not increase thereafter.

Should you choose this Contingent Nonforfeiture option, your rider, with this reduced maximum benefit amount, will be considered "paid-up" with no further premiums due.

Example:

- You bought the rider at age 65 and paid the \$1,000 annual premium for ten years, so you have paid a total of \$10,000 in premium.

- In the eleventh year, you receive a rate increase of 50%, or \$500 for a new annual premium of \$1,500, and you decide to not pay any more premiums causing your rider to lapse.
- Your “paid-up” rider benefits are \$10,000, provided you have at least \$10,000 of benefits remaining under your rider.

6. Fixed or Limited Premium Payment Period

In addition to the contingent nonforfeiture benefits described above, the following reduced "paid-up" contingent nonforfeiture benefit is an option in all policies or certificates that have a fixed or limited premium payment period, even if you selected a nonforfeiture benefit when you bought your policy. If both the reduced "paid-up" benefit AND the contingent nonforfeiture benefit described above are triggered by the same rate increase, you can choose either of the two benefits.

You are eligible for the reduced "paid-up" contingent nonforfeiture benefit when all three conditions shown below are met:

- a. The premium you are required to pay after the increase exceeds your original premium by the same percentage or more shown in the chart below;

Triggers for a Substantial Premium Increase

<u>Issue Age</u>	<u>Percent Increase Over Initial Premium</u>
Under 65	50%
65 – 80	30%
Over 80	10%

- b. You stop paying your premiums within 120 days of when the premium increase took effect; AND
- c. The ratio of the number of months you already paid premiums is 40% or more than the number of months you originally agreed to pay

If you exercise this option your coverage will be converted to reduced "paid-up" status. That means there will be no additional premiums required. Your benefits will change in the following ways:

1. The total lifetime amount of benefits your reduced paid up policy or certificate will provide can be determined by multiplying 90% of the lifetime benefit amount at the time the policy or certificate becomes paid up by the ratio of the number of months you already paid premiums to the number of months you agreed to pay them.
2. The daily benefit amounts you purchased will also be adjusted by the same ratio.

If you purchased lifetime benefits, only the daily benefit amounts you purchased will be adjusted by the applicable ratio.

Example:

- You bought the policy or certificate at age 65 with an annual premium payable for 10 years.
- In the sixth year, you receive a rate increase of 35% and you decide to stop paying premiums.
- Because you have already paid 50% of your total premium payments and that is more than the 40% ratio, your "paid-up" policy or certificate benefits are .45 (.90 times .50) times the total benefit amount that was in effect when you stopped paying your premiums. If you purchased inflation protection, it will not continue to apply to the benefits in the reduced "paid-up" policy or certificate.

Things You Should Know Before You Buy Long Term Care Insurance

- A long term care insurance Rider may pay most of the costs for your care in a nursing home. Many Riders also pay for care at home or other community settings. Since Riders can vary in coverage, you should read this Rider and make sure you understand what it covers before you buy it.
- You should not buy this insurance Rider unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this Rider is suitable for your needs.

Medicare

- Medicare does not pay for most long term care.

Medicaid

- Medicaid will generally pay for long term care if you have very little income and few assets. You probably should not buy this Rider if you are now eligible for Medicaid.
- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance, and some of your personal assets.
- Your choice of long term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency.

Shopper's Guide

- Make sure the insurance company or agent gives you a copy of a book called the National Association of Insurance Commissioners' "Shopper's Guide to Long Term Care Insurance". Read it carefully. If you have decided to apply for long term care insurance, you have the right to return the Rider within thirty (30) days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the Rider.

Counseling

- Free counseling and additional information about long term care insurance are available through your state's insurance counseling program. Contact your state insurance department or department on aging for more information about the senior health insurance counseling program in your state.

CERTIFICATE PROVISIONS

The Policy

The Policy is the group contract between Us and the Policyholder whose provisions govern the insurance provided to the Insured. This Certificate is not an insurance policy. It is evidence of the Coverage provided to the Insured. In case of differences or errors, the provisions of The Policy control. The Policy may be changed at any time by a written agreement between Us and the Policyholder.

Statements Are Not Warranties

All statements made by or for the Insured in the enrollment are considered to be representations and not warranties. No statement will be used in any contest unless a copy of the enrollment data has been furnished to You or the Insured or to the Insured's Beneficiary.

Contestability

Except for failure to pay premiums, We will not contest the validity of Coverage under The Policy after two years:

- a. from the Date of Issue; or
- b. from the effective date of the last reinstatement, based on material misrepresentation in the reinstatement application, if any.

Termination of Coverage on an Insured

Coverage on an Insured will terminate:

1. If any premium payable by You is not paid within the grace period. The Coverage will terminate the day after the 31 day grace period.
2. On the date We receive Your written request to terminate the Coverage.
3. On the date the Insured dies.
4. When the Insured reaches age 121.
5. On the date The Policy terminates subject to the Portability Privilege.

Portability Privilege

We will provide portability Coverage subject to these provisions.

Such Coverage will not be available for a Covered Person unless:

- 1) The Insured's Lifetime Benefit Term Insurance under the Policy terminated because the Policy was cancelled or the Insured is no longer eligible for payroll deduction; and
- 2) We receive a written request and payment of the first premium for the portability Coverage no later than 60 days after such termination; and
- 3) The request is made on a form we furnish or approve for that purpose.

No portability Coverage will be provided if Your Coverage terminated due to failure to pay premium.

Misstatement of Age or Tobacco Usage

If the Insured's age or tobacco usage has been misstated, the amount payable will be the amount that the premium paid would have purchased at the correct age and/or tobacco usage.

Suicide Exclusion

If the Insured commits suicide, while sane or insane, within two years from the Date of Issue, and while this Coverage is in force, We will pay in one sum to the Beneficiary, the amount of premiums paid for this Coverage.

Certificateholder's Rights

The Policy provides that while the Insured is living, You may exercise all rights given to You by The Policy or allowed by Us. These rights include assigning this Coverage, changing the Beneficiary, changing the Certificateholder, enjoying all The Policy benefits and exercising all The Policy options.

The consent of any Irrevocable Beneficiary is needed to exercise any right except the right to:

- a. Change the frequency of premium payments, or;
- b. Reinstate this Coverage after Lapse.

Assignment

The Policy provides that You may assign Your rights to the Coverage under the Certificate. For any assignment to be binding on Us, We must receive the original Assignment, or a signed certified copy at Our Administrative Office and it must be recorded by Us. Once We receive the original Assignment, or a signed certified copy, Your rights and the interest of any Beneficiary or any other person will be subject to the assignment. We will not be responsible for the validity of any assignment. We are not liable for any payment made by Us before We record the assignment.

Change of Certificateholder or Beneficiary

The Policy provides that the Certificateholder or any Beneficiary may be changed during the Insured's lifetime. We do not limit the number of changes that may be made. To make a change, a written request, satisfactory to Us, must be received at Our Administrative Office. The change will take effect as of the date the request is signed by all required parties, even if the Insured dies before We receive it. Each change will be subject to any payment

We made or other action We took before receiving the request. If the Certificateholder dies prior to the Insured, the Insured will become the Certificateholder.

Death of Beneficiary in Common Disaster

If any Beneficiary dies with the Insured in a common disaster, death benefits will be paid as if the Beneficiary predeceased the Insured.

Legal Actions

You cannot bring a legal action to recover benefits under Your Certificate for at least 60 days after You have given Us written Proof of Loss. You cannot start such an action after the expiration of the applicable statute of limitations from the date Proof of Loss is required.

PREMIUMS

Payment of Premiums

Premiums are payable in advance to Us. The first premium is due on the Date of Issue. Each subsequent premium is due when the period covered by the preceding premium ends. The amount and frequency of premium payments are shown in the Certificate Schedule.

Grace Period

After the first premium has been paid, We allow a 31 day Grace Period to pay each subsequent premium. During this Grace Period the Coverage remains in full force. If the Insured dies during the Grace Period, We will deduct the unpaid premium from the benefits of this Coverage.

Non-Payment of Premium Options

If You do not pay the premium due by the end of the Grace Period, the Coverage will Lapse. If the Coverage Lapses and premiums have not been paid through the Vesting Period, Coverage will terminate without value. If the Coverage Lapses and premiums have been paid through the Vesting Period it will Lapse with paid-up term insurance Coverage equal to the sum of the Guaranteed and Deferred Paid-Up Term insurance as described in the Death Benefit provision.

Reinstatement

Coverage may be reinstated, while the Insured is alive, at any time within five years after the date of Lapse subject to Our acceptance of Your application for reinstatement. However, the Coverage cannot be reinstated on or after the Expiry Date.

If You pay the premium due within 60 days of the due date (within 29 days after the end of the Grace Period) and during the Insured's lifetime, the Coverage will be reinstated without Evidence of Insurability.

If You do not pay the premium due within 60 days of the due date (within 29 days after the end of the Grace Period) Reinstatement will be subject to Evidence of Insurability satisfactory to Us. All overdue premiums must be paid with interest compounded annually at 6% from their due dates to the date of reinstatement.

THE DEATH BENEFIT

We will pay the Death Benefit upon receipt at our Administrative Office of proof of the death of the Insured. Proof of death must be by a certified copy of the death certificate or by other written evidence satisfactory to us. Payment under the certificate will be made not later than two months after the date of receipt of proof of the death; and the right of the claimant to the proceeds of the certificate.

Death Benefits available to an Insured are determined in accordance with the Death Benefit provision of this Certificate. The Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured will vary according to Issue Age, Mortality Table, Rate Class, Premium and Non-Guaranteed Credits described in the Certificate. Given the variability of these factors, the Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured are only illustrated in the Certificate Schedule and Illustration issued to You. The following provisions govern the calculation of the Death Benefit:

Guaranteed Death Benefit

While premiums are being paid, the Policy provides for an initial level Guaranteed Death Benefit. After the Initial Guaranteed Death Benefit Period, the Guaranteed Death Benefit is reduced. The Guaranteed Death Benefits and Periods are shown in the Certificate Schedule.

The Guaranteed Death Benefit is equal to the sum of the Guaranteed Paid-Up Term Death Benefit and the Decreasing Term Death Benefit. The Guaranteed Death Benefit Coverage terminates without value at the Expiry Date shown in the Certificate Schedule.

Guaranteed Paid-Up Term Death Benefit

The Guaranteed Paid-Up Term Death Benefit is equal to the accumulated amount of paid-up term insurance purchased by a level portion of the Coverage annual premium. This premium is shown on the Certificate Schedule. During the Vesting Period, the premium loads shown in the Certificate Schedule reduce this level portion of the premium. The table of Guaranteed Paid-Up Term Death Benefits is shown in the Certificate Schedule.

If the Coverage lapses during the Vesting Period, the Coverage will terminate with no value. If the Coverage lapses after the Vesting Period accumulated paid-up term insurance Coverage will remain in force until the Expiry Date.

Decreasing Term Death Benefit

The Decreasing Term Death Benefit is equal to the Guaranteed Death Benefit minus the Guaranteed Paid-Up Term Death Benefit. The Decreasing Term Death Benefit terminates when premiums are no longer being paid.

Deferred Paid-Up Term Death Benefit

We may purchase a non-guaranteed Deferred Paid-Up Term Death Benefit on each Coverage Anniversary while the Coverage is premium paying. A Deferred Paid-Up Term Death Benefit will not provide an increase in the death benefit while the Coverage is premium paying except as noted in the One Year Term Death Benefit provision. It will increase the paid-up death benefit available upon termination of premium payments, provided that premium payments are paid through the Vesting Period. The company will declare Non-guaranteed Credits in advance of each Certificate Year that will be used to purchase the Deferred Paid-Up Term Death Benefit.

Non-guaranteed Credits

Credits are based upon interest and mortality more favorable than that guaranteed by The Policy. The total credit on each anniversary is equal to the sum of the Mortality, Survivor and the Excess Interest Credits. These Credits may not be less than zero.

The Mortality Credit is equal to i times ii times iii divided by iv:

- i. The Guaranteed Death Benefit.
- ii. The guaranteed mortality rate minus the current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Survivor Credit is equal to i times ii times iii divided by iv:

- i. The Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Excess Interest Credit is equal to i times ii times iii:

- i. The sum of the Guaranteed and non-guaranteed Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current interest rate minus the guaranteed interest rate.
- iii. The net single premium rate for paid-up term insurance.

The Guaranteed Death Benefit, current mortality rate, net single premium rate and interest rate for calculating the above Credits are determined as of the prior anniversary and are based upon rates declared in advance of the Certificate Year. Current rates are based upon Our future expectations of mortality and interest and are not calculated to recover past losses or distribute past profits. If We change current rates on in force Coverage under

The Policy, the changes will be made uniformly for all insureds for a given age, Duration, Mortality Table and Rate Class as shown in the Certificate Schedule.

The additional Deferred Paid-Up Term Death Benefit as of the current anniversary is equal to the amount of Deferred Paid-Up Term Death Benefit on the prior anniversary plus the sum of the total Credits divided by the net single premium rate for paid-up term insurance on the current anniversary. If at any anniversary the sum of the Guaranteed Paid-Up Term Death Benefit and the Deferred Paid-Up Term Death Benefit would exceed the Initial Guaranteed Death Benefit, then premiums will be refunded to the point that the sum is equal to the Initial Guaranteed Death Benefit.

Once earned, the Deferred Paid-Up Term Death Benefit is guaranteed and will not decrease except in years where it is used to purchase One Year Term insurance.

One Year Term Insurance

After the Initial Guaranteed Death Benefit Period, a portion of the value of the non-guaranteed Deferred Paid-Up Term Death Benefit will be used on each anniversary to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit. If there is not enough value to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit then as much One Year Term Insurance as the value will allow will be purchased.

The One Year Term Insurance premium is equal to i divided by ii:

- i. Current mortality rate
- ii. One plus the current interest rate raised to the one half power,

Where the current mortality rate and interest rate is determined as of the current anniversary.

The amount of Deferred Paid-Up Term Death Benefit will be reduced by the amount needed to pay the One Year Term Insurance Premium based upon the net single premium rate for paid-up term insurance.

Early Fully Paid-Up Coverage

If the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit is greater than or equal to the Initial Guaranteed Death Benefit prior to age 100, the Coverage will become paid-up for an amount equal to the Initial Guaranteed Death Benefit. Premiums will be refunded to the point in time that the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit was equal to the Initial Guaranteed Death Benefit. No further premium payments will be due.

Death Benefit Calculations

In any Certificate Year, while premiums continue to be paid, the amount payable upon death of the Insured will be:

- a. Guaranteed Death Benefit in effect, in that year; plus
- b. After the Initial Guaranteed Death Benefit Period, One Year Term Insurance, if any; plus
- c. the premium paid beyond the date of death; plus
- d. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid; minus
- e. any unpaid premium due and unpaid at the date of death.

In any Certificate Year after premiums have been paid thru the Vesting Period and the Coverage has Lapsed due to nonpayment of premiums, the amount payable upon death of the Insured will be:

- a. the Guaranteed Paid Up Term Death Benefit; plus
- b. the Deferred Paid Up Term Benefit, if any; plus
- c. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid.

No Death Benefit is payable in the event that death occurs after Coverage has Lapsed, and the Lapse occurred prior to the end of the Vesting Period.

Payment of Proceeds – Settlement of the death benefit shall be made by payment in one sum.

Subject to a written claim form as furnished by Us, We will pay the death benefit within 30 days of when We receive due proof at Our Administrative Office that the Insured died while the Coverage was in force. We may pay all or part of the Death Benefit to any person who paid any expense in connection with the Insured's last illness or death. That person must give us a copy of the receipt describing the expense and the amount paid for such expense. The amount paid will not exceed \$1,000. The Death Benefit will be reduced by any payment made under this provision.

COVERAGE VALUES**Basis of Values**

All paid-up term insurance amounts, present values and net single premiums for The Policy are based on the Mortality Table and interest rate shown on the Certificate Schedule. Calculations take into account that premiums are paid annually and that Death Benefits are payable uniformly throughout the Certificate Year. Any additional benefits provided by Riders shall be excluded from these calculations.

Certificate Schedule of Guaranteed Values

The Certificate Schedule of Guaranteed Values shows the guaranteed values at the beginning of the Certificate Year on the assumption that premiums have been fully paid in cash for the completed years stated.

If premiums for this Coverage are paid other than annually, adjustments will be made in calculating guaranteed Paid-Up term insurance values for that portion of the Certificate Year for which premiums were actually paid.

Guaranteed paid-up term insurance values for the end of any Coverage Year not shown in the table will be furnished upon written request to the Administrative Office.

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

There is no additional premium charge for this Rider.

DEATH BENEFIT WILL BE REDUCED IF DEATH BENEFIT ADVANCE IS PAID.

RIDER PART OF COVERAGE:

This Rider is part of Your Coverage provided in response to Your enrollment form and payment of premiums. Those premiums are shown on the Certificate Schedule or Endorsement. All the provisions of the Certificate apply to this Rider unless otherwise stated herein.

IMPORTANT DISCLOSURES:

Death benefits, cash-values, and loan values, if any, will be reduced if an Accelerated Death Benefit for Terminal Illness is paid. The Accelerated Death Benefit for Terminal Illness, related charges, interest, discounts or liens, if applicable and the balance of the Death Benefit of the life insurance contract shall constitute full settlement on maturity of the face amount of the contract. For term contracts, no maturity payment is available at the end of the term period.

The Accelerated Benefit offered under this Rider may or may not qualify for favorable tax treatment under the Internal Revenue Code of 1986. Whether such benefits qualify depends on factors such as the Insured's life expectancy at the time benefits are accelerated or whether You use the benefits to pay for the Insured's necessary long-term care expenses, such as nursing home care. If the Accelerated Benefit qualifies for favorable tax treatment, the benefit will be excludable from Your income and not subject to federal taxation. Tax laws relating to Accelerated Benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which You could receive Accelerated Benefits excludable from income under federal law.

Receipt of an Accelerated Death Benefit may affect You and Your spouse or family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such payment will affect You, Your spouse and family's eligibility for public assistance.

DEFINITIONS:

- **Accelerated Death Benefit:** This is the amount of the Death Benefit that You can elect to receive when the Insured is determined to be Terminally Ill. We will pay this Accelerated Death Benefit for Terminal Illness less the amount of the current administrative fee.
- **Terminally Ill:** This is when the Insured has a life expectancy of 12 months or less due to an illness or physical condition. We will require proof that the Insured is Terminally Ill. This proof will include, but is not limited to, certification by a Physician.
- **Physician:** A licensed, medical practitioner performing within the scope of his or her license. A Physician may not be You, the Insured, or related to either by blood or marriage.

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS:

After the Contestability Period is completed, You may elect to have a portion of the Death Benefit accelerated. The Insured must be found to be Terminally Ill subject to the terms and conditions described in this Rider.

The Maximum Accelerated Death Benefit for Terminal Illness is determined as of the date proof of life expectancy is received, and is the lessor of:

- 50% of the Death Benefit provided to the insured by the Certificate after subtraction of any previous accelerated Death Benefits paid to You; or
- \$100,000

The minimum amount You may elect as an advance under the Accelerated Death Benefit for Terminal Illness is \$2,500. The total amount you may elect from all accelerated death benefit provisions available from coverage issued by Combined Insurance Company of America on the life of the Insured is \$100,000.

We will charge an administrative fee of not more than \$150.00 for processing an Accelerated Death Benefit for Terminal Illness. This fee will be deducted from any payment made.

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

Continued from previous page.

Any amount later payable under the certificate as a death benefit will be reduced by the amount of the death benefit advance minus any lien and administrative fee.

LIEN:

We will treat the Accelerated Death Benefit for Terminal Illness payment as a lien against Your Coverage. We will charge monthly interest on the Accelerated Death Benefit for Terminal Illness that will be added to the Lien. The maximum annual rate of interest we will charge will be the greater of:

- 7%, or;
- The current 90 day US Treasury Bill rate in effect on the date that the Accelerated Death Benefit for Terminal Illness is paid.

In the event that Coverage under a Certificate lapses for nonpayment of premium, Coverage will terminate and no repayment of the Lien is required.

EFFECT ON THE CERTIFICATEHOLDER'S COVERAGE:

The Death Benefit payable under the Certificate will be reduced by the total amount of the Lien against Your Coverage.

The premiums payable for the Certificate and any attached Riders will not be reduced and will continue to be payable by You.

CONDITIONS:

Payment of an Accelerated Death Benefit for Terminal Illness under this Rider is subject to these conditions:

1. This Rider is subject to the terms and conditions of the Certificate.
2. The Insured must not be Terminally Ill due to an attempt of suicide for as long as the suicide provision of the Certificate is in effect. This benefit may be reinstated subject to the same terms which apply to the Certificate.
3. Your written request to elect the Accelerated Death Benefit for Terminal Illness available under this Rider must be received at Our Administrative Office. Upon receipt of Your request, We will mail a claim form for completion by the Insured, to your address of record within 10 working days.
4. If you have named an Irrevocable Beneficiary or assignee, they must also sign the written request for this benefit.
5. You must provide Us with certification by a Physician, that the Insured is Terminally Ill. We reserve the right to obtain a second medical opinion at Our expense. If there is a conflict of opinions, a third diagnosis will be obtained by a Physician acceptable to both You and Us. The third diagnosis will be binding on both You and Us.

CERTIFICATEHOLDER'S RIGHTS:

The request for payment of any Accelerated Death Benefit for Terminal Illness is voluntary. This Rider is not intended to allow third parties to cause You to involuntarily reduce Your Coverage Proceeds that would be payable to Your Beneficiary. Therefore, any election that is forced by creditors or government agencies will be honored only to the extent required by law.

TERMINATION:

This Rider will terminate on the earliest of:

1. the date We pay the Maximum Accelerated Death Benefit for Terminal Illness;

BENEFITS

MONTHLY ACCELERATED DEATH BENEFIT FOR CONFINEMENT, HOME HEALTH CARE, OR ADULT DAY CARE: The benefit amount for Confinement, Home Health Care, or Adult Day Care, will be 4% of the current Death Benefit, minus any lien, of the Certificate as of the first of the month following the date the Insured became eligible for payment of the benefit, subject to the remaining accelerated death benefit amount. We will pay this benefit after we receive the required proof that the Insured has met the Conditions on Eligibility for Long Term Care Benefits. The benefit will be payable for each Certificate month while the Insured continues to meet the eligibility requirements. Benefit payments will be subject to the Remaining Accelerated Death Benefit Amount.

MAXIMUM REMAINING ACCELERATED DEATH BENEFIT AMOUNT: The Monthly Accelerated Benefit may not be larger than the Remaining Accelerated Death Benefit Amount. The Maximum Remaining Accelerated Death Benefit Amount equals:

1. the current death benefit on the life of the Insured provided by the Certificate; less
2. any Lien resulting from a Terminal Illness benefit paid to You under a Terminal Illness Rider; less
3. the total of all previous Monthly Accelerated Death Benefit Amounts paid to You for Long Term Care benefits under this Rider.

The current death benefit as used here does not include accidental death benefits or life insurance provided by any other Riders.

WAIVER OF PREMIUM: While the Insured is eligible for Monthly Accelerated Death Benefits, We will waive the premiums due for the Coverage provided by the Certificate and the premiums for Riders attached to the Certificate.

EFFECT ON THE CERTIFICATE IF LONG TERM CARE BENEFITS ARE PAID

ADJUSTED DEATH BENEFIT DUE TO ACCELERATION: The death benefit that is payable at the death of the Insured will be reduced by the total of all previous Long Term Care Benefit payments to You. The Death Benefit will further be reduced by any Lien resulting from a Terminal Illness benefit paid to You. If the Insured dies while the Certificate is in force, the remaining Death Benefit proceeds will be paid to the Beneficiary. No further payments under this Rider will be made to You.

ADJUSTED PREMIUMS DUE TO ACCELERATION: While the Insured is eligible for a Monthly Accelerated Death Benefit, We will waive the premiums due for the benefits provided to You by the Certificate. If the Insured later becomes ineligible for a Monthly Accelerated Death Benefit and a Maximum Remaining Accelerated Death Benefit Amount is still available, We will reduce the premium due for the Coverage and this Rider. That reduced premium equals (1) multiplied by (2), plus (3):

1. The premium due on the Coverage provided by the Certificate and the benefits for this Rider;
2. The ratio of the Adjusted Death Benefit plus any Terminal Illness lien to the current death benefit for the certificate;
3. The current premium for any other Riders attached to the Coverage.

TERMINATION OF COVERAGE DUE TO ACCELERATION: If the Maximum Remaining Accelerated Death Benefit Amount is reduced to zero or less, either due to payment of a Monthly Accelerated Death Benefit or due to a reduction in the death benefit provided under the Certificate, the Coverage provided by the Certificate and any Riders will terminate with no further benefits payable.

RESTRICTION ON CHANGES TO CERTIFICATE AND RIDERS: While the Insured is eligible for a Monthly Accelerated Death Benefit no changes may be made to the Coverage provided by the Certificate or to any Rider attached to the Coverage.

EFFECT ON ACCIDENTAL DEATH BENEFIT RIDER: While the Coverage is in force, any Accidental Death benefit under the Certificate will not be affected by the acceleration of benefits under this Rider.

MONTHLY REPORT SHOWING EFFECT OF RIDER BENEFITS: While Rider benefits payments are being paid, We will provide You with a monthly report that shows the effect each Rider benefit payment has on Coverage values.

LIMITATIONS

The following limits apply to payment of an Accelerated Death Benefit under this Rider:

1. We will not pay any Accelerated Death Benefit before the end of the Elimination Period.

2. We will not pay any Accelerated Death Benefit such that the total lifetime Accelerated Death Benefits payable plus any Terminal Illness benefit paid exceed the current life insurance death benefit Coverage provided by the Certificate.

If notice cannot reasonably be given within 30 days of a loss, You must send the notice as soon as reasonably possible.

CLAIM FORMS: After We receive Notice of Claim, We will send claim forms to You or Your authorized representative within 15 days. If the claim forms are not received within 15 days, We will accept Written Proof of Loss describing the nature and extent of the claim. Such initial and ongoing Written Proof of Loss must be received by Us within the time limit stated in the following paragraph.

WRITTEN PROOF OF LOSS: We will pay benefits under this Rider after We receive Written Proof of Loss satisfactory to Us. We must receive initial Written Proof of Loss within 90 days after expiration of the Elimination Period. If it is not reasonably possible to provide this information within such time, initial Written Proof of Loss must be submitted as soon as reasonably possible, but not later than one year from the time specified. We will require subsequent Written Proof of Loss satisfactory to Us to be submitted periodically while the Insured continues to be eligible to receive benefits under this Rider. Any such periodic Written Proof of Loss will not be required more frequently than once every 3 months.

In the event that the Licensed Health Care Practitioner We choose provides a different diagnosis of the Insured's condition, We reserve the right to rely on the certification from the Physician of Our choosing for claim purposes.

TIME OF PAYMENT OF CLAIMS: All benefits described in this Rider will be paid monthly provided We have received Written Proof of Loss satisfactory to Us.

PAYMENT OF CLAIMS: All Rider benefits will be paid to You, unless You designate a different payee.

DENIAL OF CLAIMS: If We deny a claim, We shall make available all information directly relating to such denial within 60 days of the date of a written request by the Certificateholder, unless such disclosure is prohibited under state or federal law.

ADJUSTMENT OF THE DEATH BENEFIT: If Rider benefit payments are paid after the Insured has died, but before notification of death has been received by the Company, We will reduce the Death Benefit by the amount of these Rider benefit payments.

LEGAL ACTIONS: No legal action may be brought to recover under this Rider within 60 days after Written Proof of Loss has been provided to Us as required. Also, no legal action may be brought to recover under this Rider more than 3 years from the time Written Proof of Loss is required to be furnished.

CONSENT FOR BENEFIT PAYMENT: We must obtain the consent of any irrevocable beneficiary or assignee of record before any Rider benefit is paid.

CONTESTABILITY: Except for non-payment of premium, We will not contest this Rider after two years from the Date of Issue of this Rider, or the effective date of reinstatement with respect to statements made in the application for reinstatement, if applicable.

REINSTATEMENT FOR UNINTENTIONAL LAPSE: If this rider is canceled due to nonpayment of premium, the Certificateholder is entitled to have this rider reinstated if, within a period of not less than 5 months after the date of cancellation, the Certificateholder or any secondary addressee designated demonstrates that the failure to pay the premium when due was unintentional and due to the Certificateholder's cognitive impairment, loss of functional capacity, or continuous confinement in a hospital, skilled nursing facility, or assisted living facility for a period in excess of 60 days. Rider reinstatement shall be subject to payment of overdue premiums. The standard of proof of cognitive impairment or loss of functional capacity shall not be more stringent than the benefit eligibility criteria for cognitive impairment or the loss of functional capacity contained in this rider. If the rider becomes a claim during the 180-day period before the overdue premium is paid, the amount of the premium or premiums may be deducted in any settlement under this rider.

CONTINUATION: Regardless of the continuation or conversion options available under the base Certificate, a continuation option is available for this Rider. Only You can request termination of this Rider. Unless You do, it will remain in force as long as the Certificate remains in force. If the base Certificate is converted to an individual life policy, this Rider will then be attached to the converted individual life policy.

TEXAS AMENDATORY RIDER

This Rider is attached to and made part of the Lifetime Benefit Term Certificate of Coverage. This Rider modifies the Certificate of Coverage for any Insured person (Employee, Spouse or Dependent Child), who is a resident of the State of Texas.

This Rider effectively adds the Portability Privilege and Conversion provision that reads:

If the Insured loses eligibility for the Coverage provided under The Policy for any reason other than non-payment of premiums, You may either continue coverage under the Portability Privilege, or convert the amount of insurance that ceased under The Policy to an individual life insurance policy.

Portability will not be available for a Covered Person unless:

- 1) The Group Master Policy is still active; and
- 2) The Insured's Lifetime Benefit Term Insurance under the Policy terminated because the Insured is no longer eligible for payroll deduction; and
- 3) We receive a written request and payment of the first premium for the portability Coverage no later than 60 days after such termination; and
- 4) The request is made on a form we furnish or approve for that purpose.

In the alternative, You have the right to continue the amount of insurance lost due to termination of Coverage under The Policy to an individual life insurance policy. The individual policy will be available without presenting evidence of insurability in an amount up to and including the amount of coverage that ceased. You may select from individual life policy that is then available for sale by the Company. The premiums charged will be those applicable to the risk class, then-current age on an age-last basis, and gender of the Insured for the selected policy. This right to convert to an individual policy may only be exercised within 31 days of the termination of coverage under The Policy. Notice of conversion will be provided at least 15 days prior to the end of this period. If notice is not provided within 15 days, the Certificateholder will have an additional 15 days to exercise this right. Any paid-up additions or other fully-paid coverage under The Policy will continue in force and may not be converted to the individual policy.

Should the Insured die during the period within the 31 day conversion period, and before the individual policy would become effective, the amount of insurance which the person would have been entitled to have been issued under the individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or payment of the first premium has been made.

These options are mutually exclusive. You may not elect both Portability and Conversion.

Conversion option due to Policy Termination:

- 1) The Insured's Lifetime Benefit Term Insurance under the Policy terminated because the Policy was cancelled.

You have the right to continue the amount of insurance lost due to termination of Coverage under The Policy to an individual life insurance policy. The individual policy will be available without presenting evidence of insurability in an amount up to and including the amount of coverage that ceased. You may select from individual life policy that is then available for sale by the Company. The premiums charged will be those applicable to the risk class, then-current age on an age-last basis, and gender of the Insured for the selected policy. This right to convert to an individual policy may only be exercised within 31 days of the termination of coverage under The Policy. Notice of conversion will be provided at least 15 days prior to the end of this period. If notice is not provided within 15 days, the Certificateholder will have an additional 15 days to exercise this right. Any paid-

up additions or other fully-paid coverage under The Policy will continue in force and may not be converted to the individual policy.

Should the Insured die during the period within the 31 day conversion period, and before the individual policy would become effective, the amount of insurance which the person would have been entitled to have been issued under the individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or payment of the first premium has been made.

Please be advised that in the event of a conflict between the Lifetime Benefit Term Insurance Group Policy and the Lifetime Benefit Term Certificate of Coverage, the provisions of the Certificate and of Texas law will control.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

To learn more about the Association and your protections, contact:
Texas Life and Health Insurance Guaranty Association
1717 West 6th Street, Suite 230

Austin, TX 78711

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.

Before You Buy Life Insurance

Understand What Life Insurance Is Life insurance pays a death benefit if you die while the policy is in effect, in exchange for premiums you pay before your death. You can use the death benefit to protect against financial hardships such as loss of your income, funeral expenses, medical or nursing care expenses, debt repayments, and child care costs after your death. You can get information from the NAIC InsureU Life Insurance website -- www.insureuonline.org/insureu_type_life.htm

If You Need Life Insurance, Decide How Much Coverage to Buy

How much life insurance to buy depends on the financial needs that will continue after your death. Examples include supporting your family, paying for child(ren)'s education, and paying off a mortgage. Some questions you may want to ask about your own needs include:

- Does anyone depend on me financially?
- How much of the family income do I provide?
- How will my family pay my final expenses and repay debts after my death?
- Do I want to leave money to charity or family?
- If I have life insurance through my employer, is it enough to meet my financial obligations?

The answers to these questions can help you decide how much coverage you need. An insurance agent, financial advisor, or insurance company representative can help you evaluate your insurance needs and give you information about available policies.

If You Already Have Life Insurance, Assess Your Current Life Insurance Policy

It's important to compare your current policy with any new policy you might buy. Keep in mind that you may be able to change your current policy to get benefits you want. Also, know that any changes in your health may impact your ability to get a new policy or the premium you'll pay. Don't cancel your current policy until you get the new one.

Also, while you may have free or low-cost life insurance through your employer, the death benefit usually is less than you need. And if you leave the employer, you may not be able to take this coverage with you.

Compare the Different Types of Insurance Policies

There are many types of life insurance policies. You should choose a policy with features that fit your individual needs. Some things to consider are:

- **Term Insurance vs. Cash Value Insurance.**

Term insurance is intended to provide lower-cost coverage for a specific period of time ("a term"). If you want coverage for a longer period of time, such as for your lifetime, cash value insurance may be more effective. Most term policies don't build up cash values that you can use in the future.

- **Renewable Term vs. Non-renewable Term.** Most term life insurance coverage can be continued ("renewed") at the end of the term, even if your health has changed. If you renew a term policy, the new premiums are higher. Ask what the premiums will be before you renew the policy. Also ask if you'll lose the right to renew the policy at a certain age. Non-renewable term policy can't be continued. You'll have to apply for a new policy if you still want coverage.
- **Whole Life vs. Universal Life.** Whole life and universal life insurance are two types of cash value insurance. A key difference between the two is how you pay for the coverage. You typically pay premiums for whole life insurance according to a set schedule. In a universal life policy, you can choose a flexible premium payment pattern as long as you pay enough to keep your policy in force.
- **Variable Life vs. Non-variable Life.** The investments you will choose (such as stock and bond funds) in a variable life policy directly impact your cash value. These policies have the greatest potential to build cash value but also the greatest risk of losing cash value. Non-variable life policies often have guaranteed minimums for some features (interest or cash value, for example) but not all. Non-variable life policies also have less potential to build cash value than variable life policies.

Be Sure You Can Afford the Premium

Before you buy a life insurance policy, be sure you can pay the premiums. Can you afford the initial premium? If the premium increases later, will you still be able to afford it? The premiums for many life insurance policies are sensitive to changes in the company's investment earnings, claims costs, and other expenses. If those are worse than expected, you may have to pay a much higher premium. Ask what might be the highest premium you'd have to pay to keep your coverage.

Understand the Application Process

You can apply for life insurance through life insurance agents, the mail, and online. In addition to basic information, such as your name, address, employer, job title, and date of birth, you'll be asked for more personal information. Depending on the type of policy, the insurer may require you to see a doctor, answer health-related questions, or have a medical professional come to your home or office to assess your health. Usually a policy that doesn't require detailed health information will cost more and provide less coverage than one that does.

It's important to tell the truth on the application. The insurance company will check your answers so review the application before you sign. If the insurance company discovers false statements on your application after it issues your policy, it could reduce or cancel your coverage.

Choose a Beneficiary

A beneficiary is the person(s) or organization(s) you name to receive your life insurance policy's death benefit. You'll need to know the Social Security or tax identification number for all beneficiaries. Experts advise you not to name a minor child as a beneficiary. Insurance companies won't pay a minor. Instead, consider leaving the money to your estate or trust.

Evaluate the Future of Your Policy

Does your policy have a cash value? In some cash value policies, the value is low in the early years but build later on. In other policies the values build up gradually over the years. Most term policies have no cash value. Ask your insurance agent, financial advisor, or insurance company representative for an illustration showing future values and benefits.

After You Buy Life Insurance

Read Your Policy Carefully

After you carefully read your policy, you should be able to answer the following important questions:

- Is your personal information correct?
- Do premiums or policy values vary from year to year?
- What part of the premium or policy value isn't guaranteed?
- How will the timing of money paid and received affect any interest the policy might earn?

Your insurance agent, financial advisor, or an insurance company representative can help you understand anything that isn't clear.

If you're not satisfied with your new policy, you can return it for a full refund within a certain period, usually 10 days after you receive it. The review period usually is stated on the first page of the policy.

Review Your Life Insurance Program Every Few Years

Review your policy with your insurance agent, financial advisor, or an insurance company representative every few years to keep up with changes in your policy and your needs.

- Have the premiums or benefits changed since your policy was issued?
- Do the death benefits still meet your needs?
- Do you need more or less coverage after life events, such as birth, adoption, marriage, job change, death, or divorce?

The insurance company can provide policy statements and illustrations to help with this review. As the policy owner, you can change beneficiaries at no cost. Be sure to review your beneficiaries every few years, especially after major life events that affect your life insurance needs.
